MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Contract No. SE-509 with Granger Associates,
966 Commercial Street, Palo Alto, California, Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. SE-509 covers the Procurement of two (2) each Radar Repeater Jammers for installation in the U-2 Aircraft. These units are production models of the prototype procured under Contract No. PF-400. The contract is being issued on a Fixed Price Redeterminable basis at a total price of \$66,808.00. Delivery of the first unit is scheduled in 90 days and the second 30 days thereafter. This work is approved under Program Approval CHAL-0627.

3. Contract No. SE-509 obligates an amount of \$66,808.00 chargeable to Fiscal Year 1959 Project CHALICE Funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available and that funds have been obligated as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.

5. Concurrence in Contract No. SE-509 is recommended.
